

# Stay Connected with Coolidge Elementary

Are you receiving Coolidge e-mails?

## YES!

Then you are good to go and should continue to receive them

Make sure to not hang up when you get a robo call! Listen to the message for important updates.

## NO...

1. Call or e-mail Mrs. Riggi to make sure the correct e-mail is listed on the pink emergency card.  
<mailto:griggi@livoniapublicschools.org>  
734-744-2705
2. Once your emails are updated you should receive an email from **Parent Connect** with a pin and password. This is an important pin and password and allows you access to two parent portals:

Edulink and Parent Connection.

Edulink will allow you to manage all of your communication options with your child's school. You will also be able to view the communication history to your e-mail and phone numbers.

<http://www.intouchk12.com/ParentPortal/Login.aspx?Customer=519>

## ParentConnection

Parent Connection will allow you to view some useful information about your child: Demographics, enrollment, lunch balance, attendance, schedule, and teacher list. It will also make it easier to pay for school lunches.

When your child enters the middle school level, you will also be able to view grades, report cards, and assignments within classes.

[http://www.livoniapublicschools.org/parents/parent\\_connect/](http://www.livoniapublicschools.org/parents/parent_connect/)

## Do you have an account, but you forgot your Pin and Password?

Go to the Parent link on the LPS main page. Click on the Parent Connection Login and click "Need Your Login Information"

Your pin and password will be emailed to the registered email account. If the recovery of the pin and password is not working, please get help with the email below.
